Transitions is a program offering the support you deserve

If you or a loved one has been diagnosed with a serious, life-threatening illness, you may find yourself with lots of questions. You might be wondering where to go for help, what to do next and how to get through this.

During this time we understand that there are difficult decisions that you or a loved one must make. We are here to help by providing supportive, non-judgmental listening.

A special thank you for the generous support from the Barnes-Jewish Hospital Foundation
Supporting individuals and their families facing serious illness

**TRANSITIONS COORDINATOR**
Our Transitions coordinator will complete an assessment of your needs, help you access community services to assist you in having the quality of life you deserve. The coordinator can help with caring conversations and assist you with completing your health care advance directive.

**VOLUNTEERS**
Our trained volunteers will provide companionship to reduce isolation, a shoulder to lean on for emotional support and short term caregiver relief for your loved ones.

**WHAT ARE THE COSTS?**
There are no fees for these services. The program is fully funded through generous donations to BJC Hospice.

**WHO IS ELIGIBLE?**
- Adults who live within the Farmington, Sullivan and greater St. Louis areas in Missouri.
- Adults who would benefit from assistance in navigating the health care system.
- Adults continuing curative or palliative treatments.
- Adults with a non-curable illness and a prognosis of about 18 months.
